

### Agreement of Certificated Evaluation Extension

Per the Master Teacher – Article XIII states the following information regarding certificated employees performance evaluations:

1. Except as provided in subparagraph (a), employees shall be evaluated at least once each year during the first two years of employment and once every two years thereafter. Management shall have the right to conduct informal observations and formal evaluations as often as management deems necessary.
  - a. Pursuant to Education Code Section 44664 (a)(3), evaluations may be conducted at least once every five years for personnel with permanent status who have been employed with the County Office of Education that meet the following criteria:
    - for at least ten years
    - are highly qualified as defined in 20 U.S.C. Sec 7801
    - whose previous evaluations rated the employee as meeting or exceeding standards
2. Evaluations shall be based on classroom observations and/or upon such other job-related factors that affect the operations and welfare of the education program.

The certificated employee or the evaluator may withdraw consent at any time. By signing this form we mutually agree to this extension.
