DISTINGUISHING CHARACTERISTICS:

The Program Manager series represents advanced management positions and has three levels.

ESSENTIAL FUNCTIONS:

1. Work effectively with school districts, community organizations, government agencies, parents, students, and/or staff.
2. Maintain confidentiality on issues concerning program and staff.
3. Supervise and evaluate staff.
4. Participate, coordinate, or conduct a variety of meetings, committees, trainings, workshops, and/or conferences in order to present materials and information concerning department programs, services, operations, and activities; represent the SJCOE at local, regional, and state meetings, conferences, in-services, boards, councils, and events.
5. Maintain current knowledge and interpret applicable rules, regulations, policies, procedures, contracts, State and Federal laws, codes and regulations.
6. Communicate effectively both orally and in writing.
7. Analyze situations accurately and adopt an effective course of action.
8. Establish and maintain cooperative and effective working relationships with others.
9. Work independently with little direction.
10. Meet schedules and timelines.
11. Prepare reports as needed for program.
12. Oversee and manage budgets.
13. Develop and implement effective record keeping and reporting systems to provide accurate, confidential, and timely information regarding student claims.
14. Provide training and support of staff and school district personnel.
15. Oversee all information and technology management with the department, including networks, databases, web pages, and other related functions.
16. Ensure that all student health care services information is tracked.
17. Establish effective ongoing monitoring system to ensure quality services.
18. Consult with educational partners to analyze system needs for management information and functional operations.
19. Provide technical expertise, information and assistance to participating school districts and county offices of education; assist in the formulation and development of policies, procedures and programs.
20. Develop, implement and monitor procedures and controls to ensure data accuracy, security, legal and regulatory compliance.
21. Analyze program data, external report findings, and trends in health care service delivery, translate implications and limitations, and anticipate planning and information needs.
22. Coordinate with LEA Medi-Cal Billing Option Compliance Director to measure quality, compliance and procedure reports.
23. Participate in the development of district LEA reports for data analysis and verify accuracy.
24. Manage the data collection activities of the LEA Medi-Cal Billing Option program and work with Center for Educational Development and Research (CEDR) to identify data tracking systems as appropriate.
25. Other duties and responsibilities as assigned.

PHYSICAL REQUIREMENT:

Employees in this position must be able to:

1. Sit and stand for extended periods of time.
2. Enter data into a computer terminal, operate standard office equipment and use the telephone.
